Dear Lincoln and John,

The defendant Joseph Adona on the above matter just retained me. He advises he just received a motion for default, and also advises that he was NOT in fact served with any summons.

We'd like to try to resolve this without filing a motion to quash summons, etc. Frankly I'm not sure how to protect my new client without doing so. If you know a way please advise.

Please provide your client's initial settlement demand.

Thank you.
